Art for the Buffalo

Adopt a Buffalo. Help Save the Herd.

With the arrival of spring, the meadows of Yellowstone are dotted with countless orange bundles of energy exploring their new world. It's calving season.

To celebrate this joyous event and raise additional funds for the Buffalo Field Campaign activities, we are offering a series of bison calf paintings created by Ohio artist Kim Zarney. One of his calf paintings was featured on our calendar for April.

The paintings are 16 x 16 inches square. The medium is water soluble oil on a synthetic panel. Each piece is float-framed on the back.

We have six of Kim's calf paintings available for purchase. Each piece is \$1,200 plus \$200 for sales tax, the shipping container and FedEx delivery. The total purchase price is \$1,400. Each painting has been linked to the purchase section of the Zarney Originals website.

When you "adopt" one of these calf paintings, the Buffalo Field Campaign will receive half of the purchase price (\$600). This is a unique opportunity to acquire an original piece of art for your home or office while helping to save the last wild free-roaming buffalo herds.

Please contact Angela De Sapio at office@buffalofieldcampaign.org if you have any questions. Any paintings purchased in December and January will be shipped in February.
